

Premier Platforms Limited Sustainability Policy Statement

Vision

We aim to give our customers peace of mind, knowing they're using Powered Access from a rental company that cares about and monitors our impact on the environment, Premier Platforms Ltd also aim to support the communities in the locations we work in. Premier Platforms knows that environmental commitment and contributing to communities are fundamental to our long term business strategy.

The Managing Director, his Leadership Team and Managers are responsible for driving, innovating and delivering sustainable practices across the business.

Principles

Our approach to business is guided by commitments to the following principles: Leadership, Inclusivity, Transparency, Integrity, and Continuous Improvement.

Important Issues

Due to their direct impact on we have prioritised the following issues that need to be addressed:

Climate change, Water conservation, Energy, Transport, and Waste

Our Ability and Duty to Act

- We believe in using the Earth's resources wisely
- We also believe we have the power to make a positive human impact on the diverse people we work with
- Our attention to environmental, social and economic responsibility includes working within the law and voluntarily exceeding legal requirements in order to be innovative and demonstrate leadership on the issues that are important to us.

Objectives

1. To minimise environmental impacts in the areas of waste, water, energy and air quality
2. Assist our local communities by volunteering and donating resources
3. To ensure our supply chain has responsible social and environmental practices
4. To create innovative approaches to minimise negative environmental impacts
