

## **Premier Platforms Limited Health and Safety Policy Statement**

Premier Platforms will:

- Establish and implement a health and safety management system to manage the risks associated with our premises and activities
- Regularly monitor our performance and revise our health and safety management system as necessary, to ensure we achieve our objective of continuous improvement
- Provide sufficient resources to meet the requirements of current health and safety legislation, and aim to achieve the standards of good practice applicable to our activities
- Actively promote an open attitude to health and safety issues, encouraging staff to identify and report hazards so that we can all contribute to and creating and maintaining a safe working environment
- Communicate and consult with our staff on all issues affecting their health and safety and, in doing so, bring this policy to their attention
- Provide adequate training for our staff to enable them to work safely and effectively, and to ensure they are competent and confident in the work they carry out
- Carry out and regularly review risk assessments to identify hazards and existing control measures; we will prioritize, plan and complete any corrective actions required to reduce risk to an acceptable level
- Maintain our premises and work equipment to a standard that ensures that risks are effectively managed
- Ensure that responsibilities for health and safety are allocated, understood, monitored and fulfilled
- Co-operate with other organisations within these premises to ensure they are aware of any risks to their staff and other people posed by our activities, that we are aware of any risks to our staff from their activities, and that we comply with the relevant requirements of fire legislation
- Ensure all employees are provided with adequate PPE free of charge
- Ensure safe handling and use of chemical substances
